

Spencer Roberts

Animator

I am seeking an animator position within a progressive visual production environment where my skills and talent will be allowed to develop, contributing to the success of my employer.

- Profile:**
- My portfolio is available for viewing online at www.spencer3D.com.
 - Proficient in Maya, 3Dmax, Zbrush, Photoshop, Illustrator, After Effects, and Premier.
 - Specialized in character and creature animation.
 - Ability to interface well within team projects or deliver independent assignments.
